ACCESS

- Via Plasdinam to Caetwp. Park on the field diagonally opposite the farm, close to the hedge making sure not to obstruct the gate. If the ground is wet in the field, contact Mr Parry in Caetwp farm for alternative parking. Walk up the lane until you reach Cross Keys house on your right. Through the gate and turn immediately left through another gate. There is a long carry up the rough track. Do not even take a 4WD drive up this track! As the track bears left, turn right along the edge to take off.
- Or via Cobbler's Gate. Follow the track and park off the track just before the last gate. Go through the gate and follow the fence on the right and continue to the top to take-off.
